UK printed passport photo

35 mm wide x 45 mm high

Blank measurement reference for checking printed size only.

It is not a photograph and is not an official photo template.

PRINT AT TRUE SCALE

Print on A4 at Actual size / 100%; turn off Fit to page.

Measure the 50 mm line with a ruler before using this reference.

If the line differs, adjust the printer scale and print again.

HM Passport Office states: printed photos must be 45 mm high by 35 mm wide.

They must not be a cut-down version of a larger picture.
